Subject: Price increase notification

To our valued customers,

Recent changes in the global geopolitical situation have led to a surge in raw material and transportation costs. Due to these unstable circumstances, RESISTO is forced to announce a second price increase for several of our product categories.

The products affected by this increase, along with the applicable percentages, are as follows:

- Bituminous membranes and accessories: up to **8%**
- PVC roofing membranes: up to **6%**
- SOPRA-ISO, ISO V polyisocyanurate insulation: up to **6%**
- SOPRA-XPS extruded polystyrene insulation: up to **5%**
- Sprayfoam insulation SOPRA_SPF: up to **7%**
- Adhesives, primers, and sealants: up to **8%**
- Butyl or acrylic waterproofing membranes: up to **6%**
- Sopra-Foil insulation: up to **7%**
- Accessories and products not manufactured by SOPREMA: up to **10%**
- SOPRA-Cellulose natural fiber insulation: up to **5%**

This new price increase applies to prices already adjusted following the increase notices issued on March 20, 2026 (various product lines), and April 10, 2026 (SOPRA-XPS insulation). If you have not received these communications or the revised price lists resulting from these initial notices, we invite you to contact your sales representative to obtain all necessary information.

This price increase will take effect on **July 1st, 2026**. The new prices will apply to orders shipped on or after July 1st, regardless of any delays caused by supply limitations. Quotes for ongoing projects will be reviewed individually. Active quotes will be honored subject to their validity period.

RESISTO reserves the right to limit quantities shipped before July 1st based on historical purchase volumes.

Your revised price lists, reflecting this increase, will be emailed to you within two weeks prior to their effective date. They will also be available from your sales representative or our customer service department during the same period.

If you have any questions regarding this notice, please contact your sales representative or our customer service department. We will be happy to assist you.

Thank you for your continued trust and interest in our products.

Sincerely,

Jacques Bibeau
Vice President of sales
